## Contractual Terms and Conditions

Usually molasses is traded on following basic contracts:

- Unified Contracts Terms for the German Cereals Trade Hamburg Feedingstuffs Contract no. II incl. the special conditions regarding the trade of imported molasses (Nr. II is regulating sales of imported feedingstuffs by land and water transport)
- Hamburg Feedingstuffs Contract no. II a
- Hamburg Feedingstuffs Contract no. XIII for c.i.f. transactions in molasses
- Sales terms of the sugar factories

The latest edition is always valid.

It goes without saying that individual contract terms and conditions can be agreed between both parties, the buyer and the seller, as long as both parties agree to them in writing.

Should you want to receive a copy of above mentioned contracts you may either ask us (e.g. for the sales terms of the sugar factories) or in case of officially published contracts by “The grain traders association of the Hamburg exchange“ you may want to directly contact them at:
